*Your Chamber also Welcomes: American Legion Post 186, located in Greenville, GA.*

This post has been in existence since February 1946 under the original direction of Commander Edgar Cecil Perkerson. The current location in Greenville was made possible by a generous donation from Commander Perkerson, the father of Mrs. Toots Hobson, whose husband Ed is one of the longest serving members of the post. The post currently has 52 members, comprised of those who have been in the military during war time in defense of our nation. Join them on May 12<sup>th</sup> at 6:30 p.m. for a Flag Retirement Ceremony in conjunction with the Boy Scouts Pack 104. Everyone is encouraged to bring their worn flags to the Greenville location. Unity Elementary Career Day

Unity Elementary is recruiting speakers to participate in their Career Day to be held on April 25<sup>th</sup>. The school wants to expose the children to as many lines of work as possible and this can only be accomplished with a variety of speakers. Speakers will be asked to provide a 10-15 minute presentation/explanation about their job. Props and/or uniforms are a great way to illustrate what you do. Speakers will speak to one classroom at a time (generally with about 25 children each)

A delicious Chick-Fil-A breakfast will be served at 8:30 and the event is usually over by 11:00. The school's address is 172 North Main Street Luthersville, GA 30251.

If you or someone you know would be interested in speaking at Career Day, please let Erika White know. She would love to have you contribute to each student's understanding of what a job is and the possibilities involved with choosing a career. Please feel free to call her at the school at 770-927-6488 or email her at [Erika.white@mcssga.org](mailto:Erika.white@mcssga.org).

Meriwether County is continuing to raise the awareness of the importance of preventing child sexual abuse. We want to be a county that is considered one of the safest for our children and we want your involvement to accomplish this. Please sign up for the next training session to be held on April 24th from 6:00 p.m. until 8:00 p.m. at the First Baptist Church in Warm Springs. This is a prevention training program that teaches adults how to prevent, recognize and react responsibly to child sexual abuse. It is the only nationally distributed, evidence-based program proven to increase knowledge, improve attitudes and change child protective behaviors. For more information or to sign up, contact Jennifer Corcione with the Family Connection Partnership at 706-672-4016 or email her at [jcorcione@mcicfc.org](mailto:jcorcione@mcicfc.org)
